

PSYCHIATRIC CONSULTANTS AND THERAPISTS
229 E. WISCONSIN AVE. #600
MILWAUKEE, WI 53202

FEE SCHEDULE 2016

While navigating healthcare can be complicated, Psychiatric Consultants and Therapists will collaborate with you and check your benefits before you come to your first appointment. However, it is always the responsibility of the patient to know your benefits and whether or not authorization for services is required. We encourage all clients to learn what their deductible is and what their copay is. Patient deductible and copayments will be collected at the time of service. PCT utilizes a billing service, HCDS, and you can always contact them at (262) 367-2476.

These rates are the standard rates charged to insurance. Reimbursement from insurance varies by insurance company. Patients are always responsible for their copays and deductibles.
